This unpaid clerkship is open to fluent French speakers only. Interns usually commit to 3-4 weeks. In the past, students selected have either been native French speakers, majored in college French, or minored in college French. Please append an essay in French describing your experience in reading, writing, and speaking French. Also set forth your reasons for desiring a clerkship.

The selection process will include an interview, partly in French. The final selection will be made by the French law firm.

Actual participation in the clerkship depends upon successful completion of all three courses in the Arcachon program.
