BIBLIOGRAPHY

This bibliography was prepared by the Reference Staff of the University of Iowa Law Library and contains all published works within the following categories: Books and Monographs; Chapters in Books; Articles in Law Reviews and Other Scholarly Journals; Book Reviews; Statutory Drafting; Reports to Governmental Bodies and Professional Associations. Insofar as possible an effort has been made to consolidate all works that have been reprinted or substantially reprinted under the first published appearance of that work. This bibliography does not contain works in progress or works that have been accepted for publication but have not yet been published. This bibliography is intended to be current as of October 1, 2009.
